#### GRAND OPENING OF VICTOR VALLEY COLLEGE'S DR. PREM REDDY HEALTH AND SCIENCES BUILDING

### HON. PAUL COOK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 8, 2015*

Mr. COOK. Mr. Speaker, over my time representing the citizens of California's Eighth Congressional District, I have been able to spend time with and learn from some of the best community leaders America has to offer.

These are folks who regularly put the interest of others before their own. They show us their character and generosity by going above what is required or expected of them, in order to improve the livelihood of the community as a whole. I come before you today to speak on Dr. Reddy's latest philanthropic endeavor—Victor Valley College's Dr. Prem Reddy Health and Sciences Building.

Opened on August 28, 2015, this 24,000 square foot facility will provide much needed new labs for the science programs, as well as nursing specific training labs, all integrated with indoor and outdoor student gathering and study spaces to create a collaborative and technology driven learning environment. The building will also feature expanded anatomy and chemistry labs, as well as a digital science lab capable of up to 40 workstations. The new nursing lab will feature 8 simulated medical beds and instruction space for up to 40 students. All of these lab and training facilities are supplied with high tech audio and visual equipment and a wireless network for student access. The building also operates under the most technologically advanced systems for energy efficiency and energy savings.

The students trained and educated in this state-of-the-art facility will enter the healthcare industry in a period of great turmoil. As the payment methods and organization of the industry rapidly evolve, no one can predict what the future may hold. However, the one thing we know for certain is that we will always need the most highly trained and educated students to provide the actual care, person to person. That process begins by having a learning environment to facilitate their education. I graciously thank Dr. Prem Reddy for his generosity on making this building a reality, and I congratulate Victor Valley College for its development and wish its future students years of success.

#### RECOGNIZING CHRISTINA COONEY FOR HER EXEMPLARY PERFORMANCE AT THE SPECIAL OLYMPICS WORLD GAMES IN LOS ANGELES

### HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 8, 2015*

Mr. HASTINGS. Mr. Speaker, I rise today to recognize Ms. Christina Cooney for winning a Silver and Bronze medal in equestrian events at the Special Olympics World Games in Los Angeles, California this past July.

In order to qualify for the World Games, Christina had to win a gold medal in local, regional and state competitions, and be approved by Special Olympics Florida. Christina achieved all of these feats to become one of 7,000 competitors from over 170 countries around the world, and the only equestrian rider from Florida, out of ten riders from around the nation, to represent the United States at the World Games.

Christina is visually impaired, deaf, mentally challenged, and cannot speak; yet, she is able to communicate with the horses she rides and cares for in a way few individuals are able. Christina started riding at Vinceremos Therapeutic Riding Center in Loxahatchee, Florida, at age 12 and has ridden for over 20 years.

At Vinceremos, Christina trains and volunteers on a daily basis, doing whatever tasks are required to care for the animals and the facilities.

Christina developed a remarkable relationship with her coach, Kim Elie, who took it upon herself to learn sign language and created a buzzer system for communication purposes. When Christina learned she qualified for the World Games, she and her coaches and family faced one last challenge: funding the trip to compete in California. The Special Olympics only funds transportation for the competing athlete not for their family members and coaches. Thus, Coach Kim Elie's husband, Mark Elie, set up an online fundraising account that raised over \$8,000 to fund the travel costs of her family members and coaches. In a similar way, a local restaurant held an event in support of Christina that raised over \$7,000 in one night. This money has created a fund in Christina's name that pays for sign language instruction for her coaches.

Mr. Speaker, I am extremely proud of Christina for continuing to push the bounds for what is possible within her sport. Christina has overcome many obstacles to become the decorated Olympic medalist she is today. She may live with disabilities, but she competes with the heart of an Olympian. That is why I am so truly honored to recognize Christina Cooney as a Hastings' Hero. It is inspiring individuals such as Christina, who give me great pride to represent in Congress.

Mr. COSTA. Mr. Speaker, I rise today to pay tribute to the life of Mary Brown, who recently passed away on August 28, 2015, at the age of 82. Mary was an extraordinary person, and she will always be remembered as a woman who lived her life with purpose and great dedication to her students, family, friends, and community.

Mary Brown was the pioneer of girls' basketball in the San Joaquin Valley. She left an indelible stamp in the record books and inspired young women to fulfill their potential in athletics and academics. In 18 seasons at San Joaquin Memorial High School, she directed the girls' basketball team to a 317–45 record, highlighted by 16 league titles and eight Central Section championships. Through her impeccable coaching, the Panthers won 13 consecutive league championships from 1971 to 1983, setting a state record, and the team had 97 straight league victories; the second longest streak in state history. In 1973 she was named the Girls State Coach of the year.

As a graduate of Fresno State, Mary was an exemplary community leader and gave back in ways that will not be forgotten. Her ability to motivate and inspire young women to reach their greatest potential was clearly visible in her coaching techniques. Mary has brought great pride to San Joaquin Memorial High School, and the community overall. Many of her former players consider Mary an icon and legend in sports.

### HONORING SERGEANT JOHN D. TREANTOS

#### HON. JEFF DENHAM

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 8, 2015*

Mr. DENHAM. Mr. Speaker, I rise today to acknowledge and honor the life of Sergeant John D. Treantos. The beloved father, grandfather, brother, and teacher passed away on Friday, July 31st, 2015 surrounded by his loving family.

During his youth, Sgt. Treantos grew up in California's State Capitol, Sacramento where he attended the local high school, Sacramento High. Following graduation in 1954, he enlisted in the U.S. Marine Corps where he spent several years diligently serving our country. Sgt. Treantos' time in the Marine Corps was spent teaching his fellow marines to navigate exiting helicopters during the Korean War. In addition to always helping others, he was part of the unit to test helicopter tactics to be used with nuclear weapons. Before retiring from the Marine Corps, he achieved the rank of Sergeant.

Following his service in the Marine Corps, Sgt. Treantos moved back to his hometown of Sacramento and enrolled at Sacramento State College. He obtained his degree and began his career as an educator where his passion for teaching history would be utilized and instilled in his students. Dedicating 52 years between Sacramento High School, Tracy High School, and San Joaquin Delta College, Mr. Treantos loved teaching and once stated that he would work for free as long as he got to teach history. Mr. Treantos was a beloved teacher who would spend countless hours researching his lessons to ensure his students would not only learn what was being taught, but be able to envision the historic events that shaped the United States. His legacy will live on through the lessons he instilled in his students.

In his retirement, Sgt. Treantos became actively involved in the Tracy American Legion Post 172. From 2002–2012, he served as Commander where he assisted in honoring local heroes, organized events, and selected recipients to attend Boys State. He was also involved in the Bill King Detachment 019 of the Marine Corps League in Modesto where he served two terms as the detachment Commandant. Sgt. Treantos was the Judge Advocate and took part in funerals for Marines, color guards and parades. Furthermore, Sgt. Treantos was the proud president of the Tracy War Memorial where he participated in honoring veterans and fallen heroes. Marine Treantos was an inaugural and sitting member of my Veterans Advisory Committee before his passing.

Sgt. Treantos was deeply passionate about sports and unwaveringly loyal to the San Francisco Giants. Downtime for Sgt. Treantos was spent enjoying music, theatre, museums, movies and most of all, reading books. He was never without a book and shared his desire for the arts and learning with the various people in his life.

Sgt. Treantos is survived by his son John Treantos; daughters Jennifer, Melina and Imogene; five grandchildren Chris, John, Roger, Addy, and Cameron; three sisters Dena, Kathy, and Mary; and the mother of his children, Liz.

Mr. Speaker, please join me in honoring and recognizing Sergeant John D. Treantos for his service and outstanding contributions to the community as well as our country.

### RECOGNIZING MATTHEW WALZER FOR THE EXTRAORDINARY CONTRIBUTIONS TO THE INTELLECTUALLY AND DEVELOPMENTALLY DISABLED COMMUNITY

#### HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 8, 2015*

Mr. HASTINGS. Mr. Speaker, I rise today to recognize Mr. Matthew Walzer for his extraordinary contributions to the lives of those with intellectual, developmental, and physical disabilities. It all began with a simple request to achieve a dream that most take for granted: 16-year-old Matthew needed an easier way to put on his shoes.

You see, Matthew has cerebral palsy, a condition which stiffens the muscles in the body making it difficult to walk and even speak. In an open letter to Nike's CEO Mark Parker, he explained that his condition makes it impossible to tie his shoes. Matthew, who at the time was preparing to leave high school and attend college, explained he simply wanted to go to the college of his choice and not worry about someone tying his shoes every day.

Originally, Nike planned to make just one pair of this revolutionary shoe for Matthew; however that was not enough for this inspiring young man. Matthew didn't want a special shoe just for him—he understood this was an opportunity to develop something that would benefit a diverse community of millions of people facing various physical challenges. As a longtime admirer of Nike shoes, he brought attention to the lack of a running or basketball shoe with a self-lacing system that could be used by everyone.

Matthew's discussions with Nike were the catalyst to change the world of shoe technology. Through his tireless work alongside
